

## Alumni Career Management Webinars

As a graduate of AASTMT you already have many qualities your future employer is looking for. The Alumni Career Management Webinars have been specially designed to assist you in the process of achieving your career goals.

The seminars cover four major areas for career advancement:

**Career Planning** - looking at self assessment and the strategies to take the next step in your career.

**Resume Writing** - how to write your sales brochure, a highly targeted self-marketing document.

**Interview Techniques** - what to expect, how to prepare for the interview, and how to structure answers to important questions.

**Job Search Strategies** - which Job Search web sites are best for you and the importance of utilising your own networks to find employment.
