Course Description

Course Outlines:

- Safety Induction
- Helicopter Safety / HUET
- Sea Survival
- Lifeboats (TEMPSC)
- First Aid / Hypothermia
- Fire Fighting & Self Rescue

Course Objectives:

The objectives of the BOSIET Training are that delegates will be able to:

- (a) Identify the generic hazards which are specific to offshore oil and gas installations, potential risks associated with those hazards, and how controls are put in place to eliminate or reduce risks.
- (b) Identify key offshore related safety regulations and explain the basic safety management concepts
- (c) Demonstrate, in a simulated environment, that they can use the safety equipment, and follow procedures in preparing for, and during helicopter emergencies – with particular focus on escaping from a helicopter following ditching
- (d) Demonstrate sea survival and first aid techniques
- (e) Demonstrate that they can effectively use basic firefighting equipment, and practise self-rescue techniques in low visibility situations, to include smoke filled areas.

Learning outcomes:

After completing this course, delegates should gain the following outcomes:

- 1) Awareness of the risks to which they are exposed and how they are managed
- 2) An understanding of the essential safety rules with which they must comply and how to act in an emergency
- 3) An increase in their personal commitment to work safely
- 4) Effective use of personal safety equipment.

Course includes: Theoretical fire training module Laboratory swimming pool

This form should be completed by the accountable who conduct courses inside or outside A.R.E

Course Prerequisites:

All trainees must be certified by a doctor to be in good health.

Who should attend:

Off shore personnel employed or engaged in any capacity on board ship/off shore installation.

Course References:

- OPITO Approved standards.

No. of Participants/course: 5-10 10-15 15-20 Other: Max 16

Qualifications of Participants:

Not limited

No. of Lecturer: 1 2 3

No. of Assistance: 1 2 8

Course Facilities

- White Board V. Projector Data show PC Manual Handouts
- Books Handouts Flip charts S/W Other: fire fighting equipments
PPE, L S A, HUET module.

Course Evaluation

- Written Examination Written Report(s) Oral Presentation Attendance
- Delegates Participation

Certificate Issue: Local Premises AASTMT International
