How to create an EKB Account?

Samira Abdel Meguid
Head of Information Services Dept.
AASTMT Library
Before you begin..

• EKB is a digital library, providing Egyptians with access to Scientific Databases. So, in order to register you have to be an Egyptian.

• EKB will NOT work outside Egypt. So, even if you are an Egyptian, and you do have an EKB account, you will only be able to access EKB within the Arab Republic of Egypt.

• Creating an EKB account in-campus can be done with any email, but in order to register remotely you need to have an @aast.edu email.
Go to: www.ekb.eg
Click: Register
Select: Scientific Research & Higher Education
Click: NEXT
Select: University Student
Click: NEXT
Accurately fill your Basic Information and Click: NEXT
Fill your professional affiliation information and Click: NEXT
Complete Terms and Conditions requirements and Click: NEXT
Click: Submit
Your request is done successfully!

Go to your email to complete the activation process
Open the email sent to you from EKB team

If you can’t find it in your inbox folder, look for it in the junk / spam folder

If you don’t activate your account before 72 hours, the process will be deleted and you have to restart registration.

You will find the Username & Password you should use to access your account

Dear EKB user,
