

## **Curriculum Vitae**

### **Communication Engineering & GIS Developer**

#### Contact details:

Full name: Awaad Gamil Ansary Mohamed  
Date of Birth: 28-9-1980  
Place of Birth: Alexandria, Egypt  
Home Address: 14 Sarahank Street, Louran  
Alexandria, Egypt  
Telephone: 01000723762  
E-mail: [awaad.gamil@hotmail.com](mailto:awaad.gamil@hotmail.com)

#### Postgraduate studies:

B.Sc.: Communication & Electronics Engineering  
University: Menoufia Year: 2005  
Specialty: Communication Engineering

#### Competency Certificates:

- Natural Disaster Risk Management Training of Trainers From World bank Institute WBI and Global Facility for Disaster Reduction and Recovery GFDRR
- Training course in ISO 9001 Internal Auditing Integrated Simulators Complex, AASTMT
- Geographic information system
- Introduction To Programming by using c#
- Writing Queries Using Microsoft SQL Server 2005
- Implementing a Microsoft SQL Server 2005 Database
- CCNA ( Cisco certificate network associate )

### Current Job:

- Communication Engineering & Gis Developer -Environment Protection and Crisis Management Center - Integrated Simulator Complex – ISC

### Previous Job:

- Mandated to work with regional center for disaster risk reduction ( RCDRR ) In Cairo which is competent for the management of different disaster risks
- Online Course Facilitator - World Bank Institute - Global Facility for Disaster Reduction and Recovery (GFDRR) - Arab Academy for Science Technology & Maritime Transport (AASTMT) - Regional Center for Disaster Risk Reduction (RCDRR)

### Other Responsibility:

- Administrative responsibilities within the department
- Courses Coordinator
- Quality representative within department
- Preparing the international courses (Combating Pollution in Water Environments Training Course Sponsored By Arab Bank for Economic Development in Africa (BADIA).

### Research Experience:

- Climate Change Adaptation and Natural Disasters Preparedness in the Coastal Cities of North Africa
- Vulnerability assessment of the disaster risk, risk transfer, mitigation and Preparedness, study case: vulnerability of sea level rise, tsunami and Earthquake to the Egyptian Mediterranean Sea
- Assist in the preparation of consolidated progress reports, project Implementation, briefings and translation.
- Collecting, understanding and preparing data (Classifying, data formats, Transforming from CAD and how to merge and georeference)

- Using GIS database and collected papers to write additional research and Papers to publish in science magazines

### Teaching Experience:

- Teaching prevention of oil pollution mandatory courses for captains, engineers and sailors.
- Delivering lectures in different training courses of the Crisis Management Center IMO Model Courses (Levels I, II and III).
- Delivering lectures in Geospatial technologies in Environmental Protection.
- Delivering lectures in Geospatial technologies Coastal Zone Management.
- World Bank Online Course Facilitator – Natural Disaster Risk Management Training of Trainers from World Bank Institute WBI and Global Facility for Disaster Reduction and Recovery GFDRR.
  - a) GFDRR - AA Climate Change and Disaster Risk (November, 2010)
  - b) GFDRR - AA Comprehensive Disaster Risk Management Framework (April 25 - May 29, 2011)
  - c) AA - GFDRR - Comprehensive Disaster Risk Management Framework (January 16, 2012 - February 19, 2012)
  - d) AA - GFDRR - Climate Change and Disaster Risk (March 12 - April 2, 2012)
  - e) AA - GFDRR - Community-based Disaster Risk Management (April 16 - May 6, 2012)
  - f) AA - GFDRR - Gender Aspects of Disaster Risk Reduction (23 July-Aug27, 2012)
- GIS and Applications of GIS Instructor

### Teaching specialties:

Geographic Information System in general and their uses in Environmental Protection and Disaster Risk Management
