

# How to create an EKB Account?

Samira Abdel Meguid  
Head of Information Services Dept.  
AASTMT Library

# Before you begin..

- EKB is a digital library, providing Egyptians with access to Scientific Databases. So, in order to register you have to be an Egyptian.
- EKB will NOT work outside Egypt. So, even if you are an Egyptian, and you do have an EKB account, you will only be able to access EKB within the Arab Republic of Egypt.
- Creating an EKB account in-campus can be done with any email, but in order to register remotely you need to have an @aast.edu email.
